

The Tellington Method TTouch for Dogs

& other Companion Animals

Introductory Evening
with

Robyn Hood

(Senior Instructor, Canada)

Monday 9th. Dec, 7.00 pm

Experience the joy of putting your heart in your hands and your hands on your dog with a method that approaches learning and performance with joy.

Tellington TTouch Training For Companion Animals enhances behaviour, performance and health and deepens the relationship between pets and their people.

It is also a system of gentle circular TTouches, lifts and slides that works at the cellular level to activate the body's potential.

When: 7.00 pm Monday 9th. December
Where: The Dog's Backyard
Factory 7, 11 Pearse St, Warragul
